

# Ohio Department of Transportation - Prebid Questions

Project No. 120346

Sale Date - 5/24/2012

AUG-87870 - VA-TSG LOOP-FY2012/FY2013

*Question Submitted:* 5/22/2012 5:58:29 PM

Bid reference #13, Advance / Dilemma Zone detection has an as per plan note on page 4 that requires one sensor to be provided for each approach. However, the plans do not indicate what location that these will be installed at or define how many approaches that are at that location? How many sensors are required for each system of this item?

**There are 4 approaches, location is the intersection of SR 274 / SR 235.**

*Question Submitted:* 5/21/2012 12:27:04 PM

How many cameras are to be provided with each Video Detection System, Item 14?

**For information only, 4 cameras.**
