

Ohio Department of Transportation - Prebid Questions

Project No. 100546

Sale Date - 11/18/2010

BEL-21874 - SR-7-11.87

Question Submitted:

Is the railroad tracks under the structure in currently operation?

How can the operation schedule and restrictions be obtained?

If a flagger is needed does have to be a Northfork Southern employee?

Is the interior of all Box Girders to be prepared to a 514 specification?

Is the railroad tracks under the structure in currently operation? Affirmative - see pg. 2 of Special Clauses in the Proposal which provides the number of trains that pass below the structure per day.

How can the operation schedule and restrictions be obtained? The successful contractor will need to coordinate and schedule his activities around active Norfolk Southern train operations (see pg. 2 of Special Clauses in the Proposal). There are no restrictions on Norfolk Southern train operations operating under this structure.

If a flagger is needed does have to be a Northfork Southern employee? Affirmative - see pg. 5 of Special Clauses in the Proposal for requirements for obtaining and scheduling necessary Norfolk Southern-supplied flagman.

Is the interior of all Box Girders to be prepared to a 514 specification? Answer: Please read the plan note on sheet 2 for Bridge BEL-7-1187 pier caps.
