

Ohio Department of Transportation - Prebid Questions

Project No. 120056

Sale Date - 2/23/2012

BEL-75419 - IR-470-0.00

Question Submitted: 2/8/2012 8:28:01 AM

1. Does the department intend to replace the median barrier on the approach slabs? If this is to be paid as a barrier wall transition please revise the transition detail on P39/48 to 25' to match the approach slabs. Also, will this require doweling the proposed barrier wall into the approach slabs?
2. P44/48 shows a 10' transition at an impact attenuator. Please revise to 1 end section.

Question Submitted: 2/7/2012 2:53:30 PM

Would the department post the office calcs?
