

Ohio Department of Transportation Prebid Questions

Project No. 108006

Sale Date - 4/29/2010

Question Submitted: 4/22/2010

Question Number: 1

Plan sheet 3 of 6 for the MOT notes states "Daily Lane Closures using drums only and the requirements of SCD MT-96.11 or flaggers.MT-96.11 is for signalized closing of 2 lane highway w/barrier wall. 1. Is the intent that the contractor remove the zone every day? Or may signal be used per MT-96.11 to close one lane for the duration of the project?"

The intent is for the contractor to remove the zone daily. The plan note gives the option for the contractor to use flaggers or signalized alternating traffic. MT-96.11, general note 8A allows the use of drums if specified in the plan.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
