

# Ohio Department of Transportation Prebid Questions

Project No. 090222

Sale Date - 4/29/2009

---

Question Submitted: 11/20/2008

Question Number: 1

Is "Item Removal Misc.: Removal and Replacement of Concrete Lagging = 83 each" supposed to include 83 new pieces of 4'9" long x 2' tall lagging? From the site visit, it appears that the lagging is only 2 panels tall from Station 598+90.54 to 600+49.30. The plans on sheet 2/14 show this section as having 3 existing panels. Please advise.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
