Question Submitted: 6/5/2009

Question Number: 2

Will two ARRA signs be sufficient for the entire project? Or will as many as 8 (two on each section of SR 7) ARRA Signs be required on this project?

2 ARRA signs will be necessary as per plan note on sheet 2. While there are 3 sections on this project, they are continuous and therefore 2 ARRA signs would be adequate (one each at the beginning and end of the project).
