

Ohio Department of Transportation - Prebid Questions

Project No. 130189

Sale Date - 3/28/2013

BEL-87161 - SR-7-9.13

Question Submitted: 3/22/2013 11:20:11 AM

What traffic control case will be utilized on the above project

Traffic will be maintained as indicated in the plans and referenced standard drawings. Please refer to the notes and details on sheet 5 of the plan.

Question Submitted: 3/12/2013 4:05:56 PM

The proposed piling and lagging wall seem to hit very close to the existing concrete retaining wall. Is it Odot's intention for the contractor to remove this wall as we drill for the proposed piles, or possibly move the proposed wall slightly to miss the existing wall?

Please refer to the plan note on sheet 3/23. The walls are to be removed.
