Prebid Questions

Project No. 050290

Sale Date - 5/25/2005

Question Submitted:

Question Number: 1

Per the phasing, temp sheeting is required at the new culvert. Where do we get paid for this sheeting?

The temporary sheeting will be paid for under item 614 Maintaining Traffic as per the third paragraph under the corresponding General Note on sheet 5 (of 40).

Question Submitted: 5/7/2005

Question Number: 2

Construction of this project requires removal of trees. The Indiana Bat tree note states removal can not be performed until after September 15th. The project has a final completion date of October 31, 2005 with an interim date of October 1, 2005. Is the Department sure the trees specified for removal are not subject to the Bat tree note?? Please advise.

Question Submitted: 5/9/2005

Question Number: 3

Page 59 of proposal specifies asphalt pavement materials shall be designed for heavy traffic volumes.

Reference 0045 Asphalt concrete intermediate course type 2 PG64-22, and reference 0046 Asphalt concrete surface course type 1 PG64-22 do not agree with the proposal note.

Which applies, the proposal note or the line item description? Please advise

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
