Prebid Questions

Project No. 100170

Sale Date - 4/8/2010

Question Submitted: 4/2/2010

Question Number: 1

Since the existing bridge railing is being rebuilt at abutments, the bridge terminal assemblies (reference # 9) should be Type 4 not Type 1. Is this not correct?

Question Submitted: 4/6/2010

Question Number: 2

Same question in regard to Bridge Terminal Type, we have yet to see an Addendum issued as is stated for the similar question asked on April 2nd.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
