Question Number: 1

Page 3 - Surface Course calculation. It appears the calculation for the 448 surface course was based on a 2" lift versus the plan detail which shows 1 1/2" lift. Please advise

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
