Prebid Questions

Project No. 101054

Sale Date - 4/22/2010

Question Submitted: 4/16/2010

Question Number: 1

Bid reference # 147 Controller Unit, Type 2070L, with Cabinet, type 332, As Per Plan specifies on plan page 155 that the controller shall be Eagle brand. In Addition, the as per plan note states that the controller should be supplied without software. Since the software is already owned and being supplied by ODOT, there is no need for this item to be proprietary. Will an addendum be issued to address this manner and open the specification to allow for competitive bids from other manufacturer's that are state approved capable of running this software, such as Econolite?

Question Submitted: 4/16/2010

Question Number: 2

Will ODOT be supplying and installing the software for the master controller, Item 148?

Yes, ODOT will supply and install the software.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
