Question Submitted: 5/13/2010

Question Number: 1

Can the cones in the Traffic Control plans be eliminated? If they can be eliminated would you require a pilot car as part of the revised traffic control plan with the flaggers?

**No, the cones will not be eliminated. Bid per the maintenance of traffic scheme shown in the plans.**

Question Submitted: 5/13/2010

Question Number: 2

Does the Department of Transportation ever consider alternative traffic control plans post bid, when the contractor and the state identify safety problems with the existing plan?

**yes**

Question Submitted: 5/5/2010

Question Number: 3

Can alternate traffic control application TA-4 be used for two lane road rumble strips?

**The majority of the project's two lane shoulders are not wide enough to accommodate vehicles. Therefore TA-4 would not apply. Bid per the contract documents.**

Question Submitted: 5/6/2010

Question Number: 4

Can alternate traffic control application TA-17 be used for two lane road rumble strips? We're looking for some type of mobile lane closure that can be used.

**No, we will not allow alternate traffic control applications**

Question Submitted: 5/6/2010

Question Number: 5

The general notes specify that grinding material shall become the property of the contractor and be disposed of at his expense outside the limits of right of way. Will the rumble strip grinding contractor be permitted to sweep the millings from the rumble strips to just beyond the edge of pavement or will you require the millings to be collected with pickup type road brooms and then hauled to offsite disposal locations?

**The grindings are to be removed and disposed of as per the plan note, the grindings shall not be swept to the edge of pavement.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
