Prebid Questions

Project No. 070005

Sale Date - 1/10/2007

Question Submitted: 1/4/2007

Question Number: 1

On page 3 of the plans, Item 617 APP we are to use grindings from the planing operation to berm with in lieu of compacted aggregate. The planing operation and wearing course removal will generate less than 150 ton. Estimate quantity for 617 is 822 cy or over 1600 ton. Will we be allowed to use compacted aggregate for this item?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
