Prebid Questions

Project No. 040351

Sale Date - 6/2/2004

Question Submitted: 5/24/2004

Question Number: 1

Plan sheet #10 requires painting of the existing structural steel of span #2, CLA 68-0766 L&R. Span #2 is over the Indiana Ohio Central RR tracks. Plan sheet #3 indicates the Indiana & Ohio Central RR tracks will be shut down while the painting work is performed. We have talked to Larry Himes of West Central Ohio Port Authority and Don Kuchey of Indiana & Ohio Central RR, they were uncertain if the tracks will be closed yet this year for painting.

Project completion date is 10/31/04.

Please advise us when the tracks will be closed so that the painting work may be scheduled.

ITEM 642, LANE LINE, TYPE 1

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
