Project No. 080326

Sale Date - 5/21/2008

Question Submitted: 5/19/2008

Question Number: 1

In the ODOT project 080326 Ref 29,30,31,and 32 advises bidders that the manufactures listed must meet ODOT CMS 2005 specifications. Please address what section of the 725.11 section pertains to Decorative Luminaries and how would they be listed on ODOT's Material Management QPL listing? It is acknowledged that Lamps are listed in a section of the QPL listing. If the Decorative Luminaries listed in the project are not able to be listed on the QPL listing due to the specification requirements. Will catalogue submittals be acceptable for the references listed above. The poles listed by ref are Decorative and Aluminum in content. The Dot QPL listing is for Steel only and as such the poles listed by manufacture do not need to be on the QPL listing. Please advise if submittals only will be acceptable. Since the Standard Construction Drawings pertain to standard pole designs only, does the decorative pole manufacture need to be listed as a certified supplier?
