## Prebid Questions

Project No. 080156

Sale Date - 3/5/2008

Question Submitted: 2/25/2008

Question Number: 1

Bid Reference # 63 Sign, flat sheet is listed as 46.70 square feet in the proposal, however, plan page 44 of 60 shows 49.34 square feet in the signing sub summary. Which total is correct?

Question Submitted: 2/26/2008

Question Number: 2

The asbestos abatement note on page 6 states that this pay item is to include the cost to determine if there is asbestos and also the cost to remove asbestos if it is determined there is asbestos in these locations. There is no way to determine the cost of removing the asbestos until it is determined if there is any, and how much there is. Will the contractor be additionally compensated if there is asbestos identified?

Question Submitted: 2/26/2008

Question Number: 3

The typical sections on page 3 shows "cement stabilized subgrade, 16" deep". There are not any pay items for this in the proposal. Is the intent to use the cement stabilized subgrade? If so, what pay items should be used?

Question Submitted: 2/28/2008

Question Number: 4

Question Submitted: 2/29/2008

Question Number: 5

Is it custom for ODOT to pay for the trench repair under the specific asphalt pay items when in the bid items or should the cost of restoration be included in the pipe. I am referring to the 12" type B on this specific project.

**It is included in the pipe.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
