Question Submitted: 1/6/2009

Question Number: 1

LR-SALEM SIGNAL UPGRADE has work to include curb ramps and truncated dome installations. Does there need to be an additional pay item for the payment of the Truncated Domes such as 608E5300 or are they going to be included in another item? Please clarify.

Truncated domes are included with the cost of the curb ramps as indicated in the "Payment" note on Standard Construction Drawing BP-7.1.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
