Please provide the list of DBE contractors that the Department considered for establishing the DBE Goal on this project and which work types they might perform. This project is located in an area with very few DBE Contractors, has limited Work Types, and has a relatively low contract value associated with those work types to be subcontracted.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders.
