

Ohio Department of Transportation - Prebid Questions

Project No. 120158

Sale Date - 3/22/2012

COL-84385 - SR-172-8.97

Question Submitted: 3/12/2012 11:15:49 AM

Could the department provide the list of DBE contractors they figure to use for this project? Would the department consider reducing the DBE goal based on the actual amount of items that could be subcontractors?

The Department has considered all certified DBE firms identified at <https://www.ohioucp.org/index.vm>

If the awarded bidder intends to request a partial waiver of the assigned DBE goal, the process outlined in Proposal Note 13 shall be followed. The Good Faith Efforts expanded by the low bidder will be evaluated when the Department reviews the request.
