

Ohio Department of Transportation - Prebid Questions

Project No. 160448

Sale Date - 7/28/2016

COL-92354 - SR 39-00.93

Question Submitted: 7/26/2016 4:16:32 PM

Due to the close proximity of the existing 12" waterline to the area of blasting on this project it is highly probable that the waterline will break due to blasting. Will ODOT be responsible to repair the waterline if this occurs or will the contractor be responsible?
