Question Number: 2

Page 19 of the plans, the Sequence of Construction SR 651 states that "Before roadway construction begins on this project all proposed fence or temporary fence shall be constructed and in place as directed by the Engineer." There is no fence (permanent or temporary) quantity set up on the project. There is only 22,200 F.T. of Fence Removed from page 16 of the plans. Please address what type of fencing is to be used, its location, and how it will be paid.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
