Pg. 5/36 - General Notes - Item 608, Curb Ramp, Type A1, APP "... Payment shall include... necessary to complete the improvement except walk removed, curb removed, and curb will be paid seperately." The proposal does not have any walk or curb removal items or any curb installation items. Should these items be included in the unit price for line 16, curb ramp, type A1. Or, should there be additional line items for the project?
