Project No. 060102

Sale Date - 2/15/2006

Question Submitted: 2/3/2006

Question Number: 1

Page 11/43 Work Zone Pavement Markings. It states that this item is for the contractor to use these markings after the intermediate course and after the surface course. What about after the planning operation? Please clarify. Thanks

Question Submitted: 2/6/2006

Question Number: 2

Page 20/43 You have a proposed impact attenuator at approximately at station 58+34. No line item is set up. Please clarify. Thank you.

An impact attenuator will not be installed at this location.

Question Submitted: 2/6/2006

Question Number: 3

Page 39/43 The plans call out to place 3" of item 448 under the guardrail areas. How is Odot going to pay for the material?

Item 448 will not be placed under the guardrail. The intent of the detail on sheet 39/43 was to show guardrail locations only. Please refer to the typ sections for treatment.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
