Prebid Questions

Project No. 070230

Sale Date - 5/16/2007

Question Submitted: 4/18/2007

Question Number: 1

Ref. 9- Excavation Plans show quantities on sheet 7 that are reflective of cross-sections. Plan sheet 17 shows additional excavation based upon length x width x depth. From checking takeoffs of cross-sections, it appears that some of the quantities have been duplicated when adding in sheet 17 to cross-sections. Can ODOT please verify in an addendum? Quantity appears to be overstated.

Question Submitted: 4/19/2007

Question Number: 2

Ref. 26- 12" Conduit, Type B Both crossovers are shown on plan sheet 21. How is restoration of old pavement get paid?

Question Submitted: 4/20/2007

Question Number: 3

Ref. 29- Catch Basin, #2-3 There is no detail showing top and invert elevations for the structure located at 3+93, 22' right on plan sheet 21 (reference D-1). Can ODOT please provide?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
