Question Submitted: 8/13/2008

Question Number: 1

Plan page 7 provides a link to District 12 permitted lane closure times. With the new ODOT web site it does not appear that this link works. How do we access the District 12 permitted lane closures on the new web site. Thanks

The web link given in the plans is no longer valid due to website upgrades performed since the completion of these plans. Permitted Lane Closure times shall be as shown in the linked files. All lane closures, except for lane closures shown below, shall only be implemented at the times permitted by this addendum. As given in the plans, all lane closures and work on SR-8 shall be performed as approved by the Engineer, utilizing the provisions set forth in the Standard Construction Drawings. <ftp://ftp.dot.state.oh.us/pub/Contracts/Attach/D12-84482/>
