## Prebid Questions

Project No. 100213

Sale Date - 4/15/2010

Question Submitted: 3/15/2010

Question Number: 1

Ref. No. 11-Sign Attachment Assembly-quantity on page 16 listed as 96, should be 3, total for bid item should be 340. Ref. No. 17-Ground Mounted Beam Support Foundation-quantity on general summary page 30 not carried forward, total for bid item should be 40 each

**Quantities will be revised by addendum.**

Question Submitted: 4/9/2010

Question Number: 2

Ref.#'s 14 and 15 are for installing ODOT supplied signs. Per plan note these signs are to be picked up at the ODOT sign shop in Columbus. Who is responsible for loading the signs? Are the sign faces properly wrapped and protected for transportation by ODOT? Are the clips for the extrusheet signs on the signs? Are the extrusheet signs coming with stiffeners on them for transportation? Thank you.

**Who is responsible for loading the signs? ODOT Sign Shop personnel will load material on to contractors transport. Are the sign faces properly wrapped and protected for transportation by ODOT? Sign faces will be covered for transport. Are the clips for the extrusheet signs on the signs? The proper number of extru-clips will be attached to each sign. Are the extrusheet signs coming with stiffeners on them for transportation? Plywood stiffeners will be utilized for transportation.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
