## Prebid Questions

Project No. 050231

Sale Date - 4/6/2005

Question Submitted: 3/8/2005

Question Number: 1

There are state projects that have 2 \*\* that mean we have to meet an EDGE participation goal. How do we meet this goal when we do not use subcontractors. The item for pavement marking is our only work item that we handle ourselves. When did this program come into effect and why were we not made aware of this new program? Any information you have will be appreciated.

Thanks!
