Prebid Questions

Project No. 060136

Sale Date - 3/8/2006

Question Submitted: 3/2/2006

Question Number: 1

The final Acceptance Note on sheet 4 calls for a completion of May 1, 2006 when more than half the work will be polyester striping under the 50 degree limitation in the month of April, and the project will probably not be awarded with a contract until the middle of April. Is this the department's intent?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
