Prebid Questions

Project No. 070380

Sale Date - 8/1/2007

Question Submitted: 7/12/2007

Question Number: 1

The plans show installing new RPM's on chip and seal projects. The plans also show lens replacement for the same projects. This is inflating the lens replacement quantities in the proposal. Could this be corrected to show the correct quantities?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
