Question Submitted: 9/17/2004

Question Number: 1

How do we quote Ref. No. 0054 Impact Attenuator, Type 2-98 (unidirectional or bidirectional) as per plan? Plan notes refer to Drawing Number covering 24"-30"-36"-69" and 90" systems, two backup types and various transitions. Further, Type 2-98 provides for systems of 6 thru 12 bays in length.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
