Project No. 050397

Sale Date - 7/13/2005

Question Submitted: 6/28/2005

Question Number: 1

Project description states: "Normal maintenance by bringing system to current standards." Would normal maintenance include any immediate, or on call emergency service?

**On page 15, under 'Major Maintenance-General', 4th paragraph "The Contractor shall replace and re-erect damaged poles due to knockdown and return the units to normal operations within 72 hours from the time of knockdown."
The various pay item descriptions follow the General section.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
