Question Number: 1

Bid Item 4 643 Center line

The Bid Quantity does not match with the totals given on plan sheets 15 and 16.

On plan sheet 15 the given total is 66.16 miles, but if you add them up it is actually 95.25 miles.

I think the bid quantity should be 223.98 miles not 194.89 miles.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders.
