Question Number: 1

Project bids on 7/12 and anyone would be lucky to start before 8/1 on an aggressive schedule. This is a lot of work to complete in 45 days. (especially since you will not know the locations until the precon) Can you ask the district for an extension of the interm completion date until 11/15/06? This is a type two paint we are using and it can be applied down to forty degrees. Thanks
