Question Submitted: 7/5/2005

Question Number: 1

plan sheet 31/43 shows notations for welds on one side of the vertical extensions. we need weld symbols to determine the size of the weld, whether or not it is on both sides, and if it is continuous.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
