

Ohio Department of Transportation Prebid Questions

Project No. 070267

Sale Date - 6/1/2007

Question Submitted: 5/15/2007

Question Number: 1

Project 070267 District 8 Attenuators Line items 4, 5, and 6 of the proposed project are specified as Quad Guard Elite in various widths and lengths. According to ODOT's approved products list for proprietary roadside safety devices, the Quad Guard Elite is not an approved product. May the 2005 TRACC unit be considered for this project?

The plan will remain as it is and Quadguard Elite may be used.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
