Project No. 040452

Sale Date - 7/28/2004

Question Submitted: 8/15/2005

Question Number: 1

1) I don't believe a 8/31/06 completion is obtainable on this project. As you are aware this project is designed to be constructed in 4 phases and requires painting.

2) Why is there approach slab removed items in the roadway section and in both structure sections?

3) Shouldn't there be a pavement removed bid item for the areas that are being replaced full depth?

See Addendum No. 1

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
