

Ohio Department of Transportation

Prebid Questions

Project No. 050039

Sale Date - 1/12/2005

Question Submitted: 12/20/2004

Question Number: 1

Ref. No: 4 1,694.8 Lf Ground Mounted Support, W6 X 9.

After review of the sign summary sheets and all of the sign elevation sheets, I'm only able to locate a total quantity of 94.76 Lf of W6 9.

Can you help me in the location of the additional footage or is the additional footage to be used as directed by the engineer.

Ref. No: 11 90 Ea. Sign Attachmet Assembly.

After review of the sign summary sheets and all of the sign elevation sheets, I'm only able to locate a total quantity of 77 attachment assemblies.

Can you help in the location of the remaing 13 or will they also be used as directed by the engineer.

Thanks again

Steve

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
