

# Ohio Department of Transportation Prebid Questions

Project No. 050402

Sale Date - 7/13/2005

Question Submitted: 7/8/2005

Question Number: 1

What are the locations on US422/SR306 polymer mastic installations? Are there specific locations?

What are the permitted lane closure for the polymer mastic installation on SR 306.

What are the permitted lane closures for SR 283, SR 608 during cracksealing installation?

**(1) Addendum B clearly indicates where the work limits on SR 306 and US 422 are. (2&3) The absence of times in the plans (or on the website) for the routes specified indicates that no restrictions exist.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
