Prebid Questions

Project No. 085008

Sale Date - 8/27/2008

Question Submitted: 8/15/2008

Question Number: 1

What material type is being used for the 4" repair depth? Will the material type change if it is determined the repair needs to be deeper than 4"? What will the minimum width of repair be?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
