## Prebid Questions

Project No. 060124

Sale Date - 3/8/2006

Question Submitted: 2/23/2006

Question Number: 1

Bid items 47 and 57 are a 10' vandal protection fence. Plan pages 40,41,and 42 show drawings of the modified fence. The drawings do not show a bottom rail as detailed in the standard drawings, nor do they show any rails in the top closure, which would allow the fabric to sag in between post.

1. Should this be bid as shown on the plan pages, or do these drawings need to be modified to show what I think should be 4 more rails than shown?

Question Submitted: 2/27/2006

Question Number: 2

Ref. No. 47/57 vandal fence, the detail shows complete closure for the fence per sheet 40/53. How many longitudinal rails are required on the closure piece? The drawing does not show any.

**Please see addendum #1.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
