Prebid Questions

Project No. 100289

Sale Date - 5/20/2010

Question Submitted: 5/10/2010

Question Number: 1

This project includes SS 800 (4/16/10)- 401.15 which requires the use of a MTV or MTD for night paving over one continuous mile. Will a MTV or MTD be required since the project is only 1.4 miles in length, and the contractor will be held to short, restricted nighttime hours with large disincentives on a non-interstate roadway.

The MTV or MTD will be required according to 401.15 of SS 800.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
