Prebid Questions

Project No. 090475

Sale Date - 10/21/2009

Question Submitted: 10/16/2009

Question Number: 1

Reference plan page 27 / 57, heading "Personnel" Request The Department strike from the third full paragraph language that refers to or requires "Journeyman Electricians, Wiremen, or Linemen" this requirement is discriminatory to contractors signatory to unions other than IBEW and discriminates toward Unions who in their contracts reconize signal and lighting technicians. ODOT SS 1063 covers all signal personnel requirements. Issueing an addendum should not cause any delays

The subcontractor has other options available to him because the end of the first sentence of the third paragraph states "unless approved by the Engineer." Other "complements" may be approved.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
