Prebid Questions

Project No. 090050

Sale Date - 1/28/2009

Question Submitted: 2/18/2009

Question Number: 1

Please make available copies of existing structure drawings. Thanks.

<ftp://ftp.dot.state.oh.us/pub/Contracts/Attach/FAY-77564/>

Question Submitted: 2/18/2009

Question Number: 2

There are Item 516 expansion joints shown on the contract plans. Should there be a separate pay item, quantity and reference number shown in the proposal documents?

Question Submitted: 2/18/2009

Question Number: 3

Can you verify the quantity for the concrete sealing on Ref. 56 ? The quantity is listed at 4895 sy, this quantity seems to be very high considering the size of the bridge. Thank you

Question Submitted: 2/18/2009

Question Number: 4

Could the existing structure drawings be made available online for structure FAY-22-16.58?

<ftp://ftp.dot.state.oh.us/pub/Contracts/Attach/FAY-77564/>

Question Submitted: 2/19/2009

Question Number: 5

Will the department consider extending the 90 day constraint for the temporary signal considering cure times for concrete, the removal of existing steel, setting of new steel, and the required closure pour a time frame closer to 150 days would be more realistic?

The District respectfully declines to extend the time limit.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
