Question Number: 2

On the "Mowing-General Notes" page under the paragraph labeled "General" it states the work will consist of a maximum of 4 mowing cycles. In the proposal there are 4 cycles plus the acres for the Mowback. Is the Mowback a separate cycle or just additional acres to be added to the 3rd cycle. Since this is a two year contract, are the Mowback acres for one mowback or two? Thank you.
