

Ohio Department of Transportation

Prebid Questions

Project No. 045038

Sale Date - 11/23/2004

Question Submitted: 11/12/2004

Question Number: 1

Who are the suppliers for the box beams, elastomeric bearings, and railing?

What are the weights of the box beam bridge members?

What are the earliest delivery dates for these materials?

When would be the earliest date that the road could be closed?

Will extensions of the 14 day road closure be allowed for inclement weather?

Can vehicular traffic be allowed on the concrete prior to 7 day curing time, if the concrete has attained full strength?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
