

Ohio Department of Transportation Prebid Questions

Project No. 080215

Sale Date - 3/26/2008

Question Submitted: 3/17/2008

Question Number: 1

Will surface prep or line removal be required on routes receiving 646 Epoxy Markings

Question Submitted: 3/17/2008

Question Number: 2

Can Class III Temporary be used on roads getting 646 Epoxy

Question Submitted: 3/19/2008

Question Number: 3

Will the Crack Sealing and Microsurfacing count towards the work type percentage performed by the prime contractor? They both have a NR work type rating, but they are the major item of work for this contract.

Yes

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
