Question Number: 5

On plan sheets 100 and 101 it shows walks and HC ramps to be installed. There are no quantities provided for these items in the proposal. The Walk and Ramp quantities that are in the proposal refer to work at other areas of the job.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
