Project No. 070334

Sale Date - 6/27/2007

Question Submitted: 6/8/2007

Question Number: 1

Sheet 10/23 of the plans, Sequence of Operation. Can the contractor complete all of the Cold-In-Place Recycling before the application of the 3/4" 442 Asphalt Intermediate, 9.5MM? Is traffic allowed to run directly on the Cold-In-Place Recycled surface for a short period of time (1-2 weeks)?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
