Prebid Questions

Project No. 050269

Sale Date - 4/20/2005

Question Submitted: 4/15/2005

Question Number: 1

Sheet 6/16 indicates "Existing RCP to be Removed and Stored for Reuse". The only Rock Channel Protection included in this project is "Rock Channel Protection ,with Grout, Type A, with Fabric Filter". The existing rock is not type A. What is to be done with the existing rock?

The existing RCP will not be reused on this project.

Question Submitted: 4/6/2005

Question Number: 2

On sheet 2/16, plan note "Threatened and Endangered species.." says "In-stream work, with regards to heavy equipment, should occur during low-flow periods (between August 1 and October 31)." The date set for completion is 8/31/2005. Is the intent that all in-stream work involving heavy equipment be done during the month of August?

Please see addendum #1.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
