Prebid Questions

Project No. 045035

Sale Date - 9/10/2004

Question Submitted: 9/2/2004

Question Number: 1

What is the number and speed of passing freight and passenger trains for this project?
Will Slow orders be put on passing trains?

The railroad tracks shown in the plans within the work limits are nonexistent, therefore there will be no railroad involvement as a part of this project. The closest active railroad is outside the work limits and will not impact the project.

Question Submitted: 9/3/2004

Question Number: 2

Do the daily restrictions for maintaining traffic on 3/10 apply to weekends (Saturday and Sunday) as well as week-days (Monday-Friday)?

yes, the daily restrictions for maintaining traffic apply to weekends as well as weekdays.

Question Submitted: 9/3/2004

Question Number: 3

Are the end cross frames to be replaced on both the upper and lower decks or just the lower deck at piers 4 and 8?

By plan note on sheet 2/10, "The following members are included in this item, End crossframes at piers 4 and 8 of bridge no. HAM-71-0000 R as shown in the plans." The "lower" bridge is the "right" bridge.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
